## ABOUT ME

I'm a 21 year old Mexican woman who is passionate about programming, web and app development and of course, learning new things everyday. I'm currently studying but I've been doing some personal projects to practice my programming skills.

## EXPERIENCE

I don't have experience yet but some projects I've been up to are working on my portfolio and personal website, college practices and some coding challenges so I never stop learning and improving.

## EDUCATION & CERTIFICATES

Universidad Tecnológica de México 2020 - Currently.  
Curso Profesional de Git y Github ~ Platzi 2021.  
Curso de POO ~ Platzi 2021.  
Curso Definitivo de HTML y CSS ~ Platzi 2021.
